

Gallery Walk

Mutual Respect: Unique Malaysia

Instructions:

- Get into groups.
- Teacher will give each group an aspect that makes Malaysia unique.
- In groups, write as many points or reasons that support that aspect on a mahjong paper.
- Findings are pasted on the wall.
- When the task is done, the students can walk around the class to read each finding.

Class discussion:

- Students can ask any questions about their friends' findings.
- Discuss as a class.
